Attorney at Law

Clarissa Kay Bauer
Harris County Toll Road Authority

Prof. Fran Ortiz
South Texas College of Law

May 2013

Thursday, May 23, 2013

Contract Disclaimers & Tort Claims in Texas

Texas law allows contract parties to disclaim tort liability – sometimes. Texas courts and unhappy contract parties have wandered through this legal minefield, attempting to define when tort claims may be effectively disclaimed, and when they are not, with inconsistent results. Should your client agree to that disclaimer? Will a Texas court enforce it?

1.50 hours of MCLE credit, including .5 ethics credit.

Ken Alexander
Porter Hedges LLP

Friday, May 31, 2013

Cross Examination

Individuals will learn how to cross examine lay witnesses and experts in a criminal trial with an emphasis on DWI cases. This lecture will include information on preparation for cross examination outside the courtroom, as well as how to execute a plan during trial.

Professional Responsibility Issues in Oil, Gas and Energy Law Practice

This seminar will cover some recent ethics-related developments and issues that will have impact on the Oil & Gas industry and other sectors. The course will discuss the Dodd-Frank Whistle Blower Provisions, lessons learned from a recent case about communicating with the government and other important issues.

1.50 hours of MCLE credit, including .25 hours ethics.

Kevin McDonald
Marathon Oil
Company

Thursday, July 25, 2013

Cybersleuthing Without Losing Your Law License

Now that the electronic landscape has become a prevalent aspect of client behavior and e-mail has become a routine aspect of attorney-client communications, cybersleuthing is essential to attorneys' gaining adequate insight into the factual basis and concomitant issues underlying legal matters. Nevertheless, a Texas attorney must be cognizant of and comply with the relevant federal and Texas statutes and implicated Disciplinary Rules of Professional Conduct in order to judiciously implement cybersleuthing protocols without jeopardizing his or her law license.

1.50 hours of MCLE credit, including 1.0 hour of ethics credit.

Al Harrison
Harrison Law
Office, P.C.

Friday, July 26, 2013

Little Known Retaliation Claims That Bite Back - A Primer on Workers' Compensation, FMLA, and FLSA Retaliation Claims

This seminar will provide a general overview of employment-related retaliation claims, and will focus on little-known claims involving workers' compensation, FMLA, and FLSA retaliation. The seminar will discuss the legal framework for these claims, including potential damages, legal defenses, and practical tips to avoid retaliation claims.

1.50 hours of MCLE credit, no ethics credit.

Shardonofsky
Seyfarth Shaw
LLP

August 2013

Thursday, August 1, 2013

Attacking the Business Valuation Expert: Will Your Expert's Opinion Withstand Scrutiny?

To the untrained eye, all business valuations look the same. However, to the trained eye, there are often numerous errors in a business valuation report. This seminar will teach the attorney how to identify problems in both their and the opposing expert's business valuation reports. It is easy to discredit a business valuation report if you can recognize its faults.

1.50 hours of MCLE credit, including .25 ethics credit.

J. Richard
Claywell, CPA

Friday, August 2, 2013

Contracts for the International Sale of Goods

This seminar will cover the fundamentals of contracts for the international sale of goods. There will be an in depth treatment of the United Nations Convention on Contracts for the International Sale of Goods (CISG), including issues of contract formation, battle of forms, Nachfrist periods, remedies, and other topics specific to the Convention. There will also be brief coverage of dispute resolution issues, including how they relate to contracts for the international sale of goods, use of Incoterms in conjunction with the Convention, as well as how these techniques may be utilized in sales contracts.

1.50 hours of MCLE, no ethics credit.

Stacey L. Barnes
Lewis & Barnes

Friday, August 9, 2013

Preservation of Error

This presentation encompasses trial counsel's ethical duty to preserve potential reversible error for appellate review by making timely and specific objections and obtaining adverse rulings at every stage of the proceedings. It will cover a myriad of areas where the need to preserve potential reversible error is paramount, including pre-trial suppression matters, voir dire, extraneous offenses, the State's right to appeal, admission and exclusion of testimony, the trial court's charge, final argument, and motions for new trial.

1.50 hours of MCLE, including .75 hours ethics credit.

Brian Wice
Attorney at Law

August 2013 continued

Thursday, August 15, 2013

Religious Discrimination in the Age After the Age of Aquarius

Title VII prohibits religious discrimination in the employment relationship, and also requires employers to accommodate religious beliefs and practices of employees, but the devil (so to speak) is in the details. This presentation will focus on significant and/or entertaining court decisions relating to religion (as broadly defined under Title VII) in the workplace.

1.50 hours of MCLE, including .25 hours ethics credit.

W. Jackson Wisdom
Martin, Disiere,
Jefferson & Wisdom,
L.L.P.

Friday, August 23, 2013

Cyberspace & Security for Lawyers

Lawyers are being targeted because they house high value data in less secure, consolidated locations. Lawyers have a duty (ethically & statutorily) to protect client information. Notification statutes are forcing data breaches to become public knowledge. Simple, cost effective tools exist to increase data protection & prevent liability exposure.

1.50 hours of MCLE, no ethics credit.

Michael D. Peck
Attorney at Law
